

Your Park Department

At this time we will begin in all areas collecting in flat places and at intersections, and causes deterioration of roadbeds. It also creates an over amount of run-off that drains into open drainage ditches and streams.

A GOOD POLICY is to exercise care in watering. To

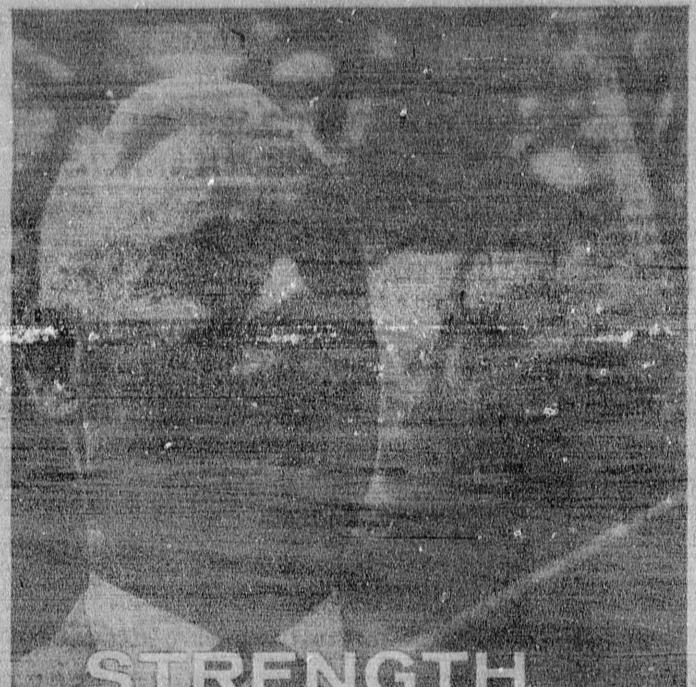

eliminate run-off, turn your water on slowly and when it starts to run turn it off for awhile and then move your hose and turn it on again. In that way you can save money on your water bill and also do your lawns much more good.

Now that the weather is warm we have a tendency to over-water our shrubs and lawns. This water seeps down to the tree root and causes shallow-rooted trees. Then

when winter comes and our the breeding places for mosquitos in rainy season, with its high quakes.

We will continue with trees around our city in our next article.

STRENGTH

the big reason Builder Kemp is an American Saver

Sure... high interest and insured savings were important considerations when Builder Don Kemp was deciding where to save... but the really big reason he selected AMERICAN SAVINGS was that he considered it one of the strongest institutions in the nation.

Builder Kemp wanted to be sure his money would be available when needed... preferably for his retirement savings... but maybe for an emergency.

Builder's training had taught him to look for facts, and here's what he found out about AMERICAN SAVINGS:

\$116,000,000 in Assets make it one of the nation's 20 largest.

\$116,000,000 in Reserves make it one of the strongest in the country.

Founded in 1922, with 38 years of uninterrupted interest payments.

68,000 Accountholders, with many accounts active more than 30 years.

now paying 4% per annum
